

AT THE END OF THE DAY ... ALL YOU WANT IS CLEAN FRESH AIR

INTRODUCING *The most advanced odor absorbing filter available™* **ODOR EATER™** *PERKO's Waste Tank Vent Filter*

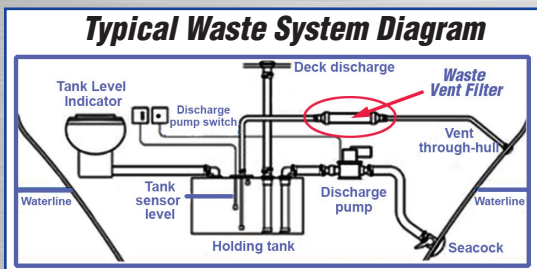

Benefits & Features:

What Makes us Better. . .

- Advanced Patent Pending check valve eliminates odors from tank when changing the filter.
- Advanced quick disconnects make replacement “a snap”.
- High capacity media design, stops odors fast.
- Compatible with all waste or holding tank applications.
- Easy retrofit - compatible with older vessels.

It's been a great day...you just sat down with family and friends alongside your boat or RV,...and then it hits you. Holding tank fumes. Unpleasant and distracting, you hope that the wind changes so the outdoor experience is not ruined.

The PERKO® **ODOR EATER™**, stops odors fast. The easy to install unit is a “must have” for quality new boat builds or recreational vehicles with holding tanks.
